## Head's Corner

**Dear Parents and Carers,**

We are already halfway through the school year! It has been wonderful to see how much progress the children have made.

In our phonics and guided reading lessons, the children's engagement has been exceptional. It is clear that they are enjoying these lessons and thriving as a result. I would also like to extend my sincere thanks to all parents and carers who are regularly reading with their children at home. Reading is such an important skill and the cornerstone of so much of what we do in school, especially for our younger pupils. By making time for shared reading at home, you are playing a vital role in developing your child's

reading fluency and fostering a lifelong love of books. Your support makes a huge difference, and we truly appreciate it.

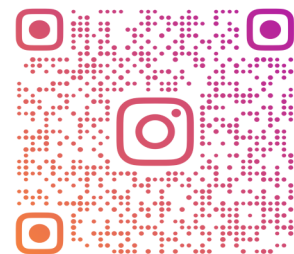

We have been proudly developing our Our World, Our City project for a whole year, and it means so much to our school, our city, and our wider world. We look forward to sharing more about this work as it continues to grow and develop throughout the year.

Our school Instagram account is one of the best ways for us to showcase the incredible work happening across West Blatch. By following, liking, and especially reposting our content, you help to amplify the voices of our children and celebrate their hard work. Every share helps more people discover what a vibrant, caring, and ambitious school community we are. If you are able, please encourage friends, family, and other parents to follow our Instagram too. The more people who see the amazing

things happening here, the more our message of pride, sustainability, and community spirit can spread across the city.

Finally, I want to thank you for your ongoing support in making our school a wonderful place for children to learn and grow. It is through the combined efforts of children, staff, parents, and carers that we create such a positive and nurturing environment. As we head into the second half of the school year, I look forward to seeing all that we can achieve together, and I cannot wait to share more updates with you.

**Warm regards,  
Mr Brentnall**

## Car Park Access & Arrival Times

We would like to remind all parents and carers that **access to the school car park is strictly limited to vehicles displaying a valid permit**. If you do not hold a permit, please refrain from using the car park.

Additionally, **the car park gates will open at 15:00**. We kindly request that you **do not arrive before this time**, as early arrivals have led to increased traffic congestion on the road outside the school. This has prompted several complaints from local residents and poses a safety risk to our school community.

We appreciate your co-operation in helping us maintain a safe and orderly environment for all.

## Owlets and Wrens WonderDome visit!

Owlets and Wrens had an amazing time visiting the Wonderdome mobile planetarium. We got to see each of our Solar Systems planets close up, watch a rocket launch and see how astronauts eat their dinner and go to sleep in space. It was an out of this world experience that we won't be forgetting in a hurry!

# Goldcrests Hangleton Park Walk!

Over the past few weeks Goldcrests class have explored the topic 'Treasure Island'. We learnt about how we can read a map and what important parts make a map. To help our learning, we became geographers to explore our local park!

Goldcrests were very **reflective** on the walk. As we walked around Hangleton Park, we spotted signs that were on our map key while asking questions! We made great links to what we have previously learnt. Goldcrests are super **resourceful**.

"I can see that we are walking around the park on the map!"

"I can see a butterfly on the key."

## Year 5 & 6 Trip to Bowles!

# Bowles

Last week, a group of Year 5 and 6 pupils went on a residential trip to Bowles Activity Centre. During their stay, they developed their team work skills as well as their resilience and determination. The pupils who attended were fortunate to try different activities: skiing, rock climbing, pool-rafting, the leap of faith orienteering and bouldering at Harrison Rocks.

## 30th Anniversary of The Perch!

The Perch autism provision celebrated its 30-year-anniversary with a gathering on the 22<sup>nd</sup> January.

We were joined by parents, governors and former staff members and had some lovely speeches, beautiful decorations and an amazing cake made by Ricktha from the school office.

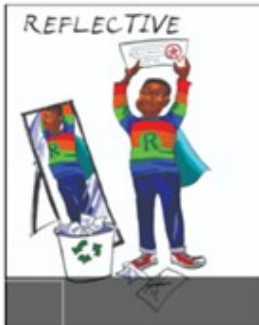

On the 20<sup>th</sup> January, two former pupils came to visit and talked to us about their secondary schools. It was great to hear how successful their transition has been and how well they are doing in a mainstream and specialist provision respectively.

Our Perch children had prepared some very good questions and the two visitors provided thoughtful and detailed answers.

# School Council

The School Council organised a fantastic winter drawing competition. Lots of children really enjoyed taking part and each class had one winner who won a chocolate prize!

## Our Brilliant Breakfast Club!

We have some amazing news to share - our wonderful Breakfast Club staff have won a Platinum Award for providing a fantastic breakfast for our children!

Every morning, the team greets pupils with big smiles and helps them start the day feeling happy, calm and ready to learn. They work really hard to make sure everyone enjoys a healthy, tasty breakfast in a warm and friendly place.

Breakfast Club is more than just food – it's a special time where children can chat with friends, feel cared for and begin the school day in the best possible way. The Platinum Award shows just how much kindness, effort and teamwork the staff put into making Breakfast Club so special.

We are super proud of our Breakfast Club team and would like to say a huge thank you and well done for this brilliant achievement.

## After School Club!

As we step into 2026, we are excited to kick off another fantastic year filled with fun and learning here at after school club.

As we reflect on the wonderful memories we created together in 2025, we are grateful for the dedication and enthusiasm shown by all our children. From arts and crafts to sports, your participation made our activities exciting and enjoyable.

Thank you to not only our wonderful children, but also our parents – we look forward to creating more memorable experiences together in 2026!

Best wishes for a joyful new year ahead.

Miss Haslam, Miss Muna and Miss Martin

## Science Club!

Science Club is off to a fantastic start this year, with lots of exciting learning taking place in the lab! So far this term, our junior scientists have stepped into the role of engineers, exploring Newton's third law of motion by planning, building and testing balloon-powered LEGO cars.

Next, they donned their lab coats and safety goggles and became palaeontologists for the day, carefully excavating real (3D-printed!) dinosaur fossils. We are incredibly proud of our students and the initiative, curiosity and scientific spirit they show each week. Well done, Science Club – and remember to keep your thinking caps on!

# Blatch Patch!

## BLATCH PATCH ISSUE 18 IS NOW ONLINE!

Read about all the children's outdoor learning experiences and our school sustainability focusses. There are lots of ideas and activities to share and do with your child at home.

You can find it by going to our website:

<https://westblatchingtonprimary.co.uk/wp-content/uploads/2026/01/BLATCH-PATCH-ISSUE-18.pdf>

Please do send in anything 'nature' to be included in the next issue; drawings, paintings, photos, ideas - everything is welcome! Please give it to your child's class teacher to pass onto Mrs Heym or email it to the school office. Thank you!

# Our Marvellous Mental Health Champions!

Our Mental Health Champions have been doing fantastic work across the school this term!

With the brilliant support of the YMCA, a group of ten enthusiastic Year 5 pupils have been exploring mental health, wellbeing, and ways to make a positive impact on our whole school community.

They've been developing exciting whole-school initiatives, and in their latest session they even pitched their ideas to Mr Brentnall. These included creating a calming outdoor "Chill Out Shack" and designing eye-catching wellbeing noticeboards to promote positive emotional health throughout the school.

We are incredibly proud of their creativity, teamwork, and dedication. On Monday 9<sup>th</sup> February, our Champions will be visiting Blatchington Mill to meet with their mental health ambassadors and share ideas together - an exciting opportunity to learn, grow, and keep spreading the message of wellbeing!

# Friends of West Blatchington!

**FoWB fund well over £500!**

Thank you for supporting the Halloween Disco, Christmas Fayre and Raffle, each event was a real success meaning that so far this school year we have been able to give funding for -

**£270 for the Perch**

The children in the Perch spend a lot of time each term preparing food, trying different tastes and textures and learning life skills. The co-ordination of mixing and kneading is incredibly important for this group and we are proud to be able to fund the ingredients instead of the teachers and parents having to fund these things.

**£300 for the Eco Garden**

This is to benefit every single child in the school in the upcoming "seed to plate" initiative. FoWB are buying soil and seeds so that each child can plant and grow some items in the eco garden - then eat them!

**£70 for the school Christmas Crackers**

We bought fun crackers so that every child could have one with their Christmas dinner in December.

**Please Help!?**

Due to their children outgrowing the school we had a few key helpers leave last year and really need some more help for different events.

Normally it's only 1 to 2 hours of your time and very much appreciated! If you are able to help, please email FoWB [fowb@wblatch.brighton-hove.sch.uk](mailto:fowb@wblatch.brighton-hove.sch.uk) and we will be in touch to tell you all about it.

# Attendance Update

## Class Attendance

Registration form(s) this academic year	Registration	YTD Attendance
Falcons	Falcons	89.3%
Goldcrests	Goldcrests	93.4%
Jays	Jays	92.9%
Owlets	Owlets	88.7%
Puffins	Puffins	94.3%
Ravens	Ravens	93.3%
Skylarks	Skylarks	96.9%
Starlings	Starlings	95.7%
Swallows	Swallows	95.0%
Wrens	Wrens	87.8%

Well done to Skylarks, Starlings and Swallows for achieving over 95%. For information, please see the schools' average attendance compared to attendance across the City and attendance nationally.

### Attendance percentage

School	94.1%
National	94.8%
Local Authority	94.5%

The children and staff have been informed that if, even for just one day, we achieve 100% attendance, there will be a whole school reward. Wouldn't this be just AMAZING!!!

## Attendance Matters

Good attendance and punctuality are essential for children's wellbeing, confidence, and daily routine.

Being in school every day helps children feel settled, secure, and ready to learn.

## If Your Child Feels Unwell

Please remember: if your child becomes unwell at school, we will **always** contact parents and carers right away.

You do not need to pre-emptively keep them home "just in case" - we will monitor and update you.

## Reporting Absence

Please continue to log all absences on Arbor, providing as much detail as possible. Medical evidence may be required if an illness lasts longer than 3 days (e.g. appointment card, prescription, NHS advice).

## Planned Absence Requests

Any planned absence requests (e.g. planned travel, family events) must be submitted at least 2 weeks in advance.

Please include as much information as possible to support your request.

## Who to Contact

Your child's class teacher is your first point of contact for any attendance issues. Natalie Bellis is also always available to offer support, guidance, or advice when needed.

Thank you for your ongoing support in helping every child arrive on time, every day, ready for a positive start to their school day!

## School Communications

It is really important that you check your email and Arbor app regularly to ensure that you don't miss any communications from the school.

When clubs have to be cancelled on the day an email and in app message will go out to parents/carers.

Letters for trips go out in advance, so can you please provide consent and any payment, on Arbor, before the deadline date.

We really appreciate your support with this. Thank you

## Speech & Language

To support speech and language development in school, we use an intervention called Infant Language, Junior Language as well as Infant and Junior Speech Link.

It also has some great free resources for you to use at home. You can read more about it here:

### Childcare support for three and four year olds

All three- and four-year-olds, are entitled to 570 hours of childcare. There's no need to apply, just speak to your childcare provider.

Eligible working parents\* of three- and four-year-olds are entitled to an additional 570 hours of childcare.

\* To be eligible, each parent, or the single parent in a lone parent household, will need to expect to earn the equivalent of 16 hours a week at the national minimum wage rate.

### Help for students

Care to Learn is paid to parents aged under 20 at the start of their course in school or 6th form college.

The Childcare Grant is available for students in higher education who are eligible for student finance.

### Tax-Free Childcare

This is an online account for working parents to help pay for childcare.

For every £8 that you put in, the government will make a payment of £2 to a maximum of £2,000 per child, per year, or £4,000 if your child is disabled.

You can have an account for each of your children up to age 12. You cannot claim both Tax Free Childcare and Universal Credit.

### Universal Credit

As part of Universal Credit, parents may be able to claim up to 85% of their childcare costs.

If you are returning to employment, your job centre work coach will be able to advise you about funding for childcare deposits and upfront fees.
